I see an unusual opportunity...

Renwick "needs" some more help - now or later.

Has a few issues of his own that could prove awkward for him moving forward..

thats where I see we can add huge value...

Neil

This is what I suggested for BW to send to UPG... (they asked me to write it when i asked them for it today...)

They've yet to agree... I'm sure the finished article wont be too far different though...

If you feel we should add anything, let me know..
